Bob Sutherland couldn't run a yard on Thursday. Yesterday he won handly in the first line of 1.02% stewart had the mount in the first lineance and Flynn rode yesterday. Judging by the two performances Flynn is about one thousand pounds better than Stewart. Eckever raced away in front and led into the stretch when Bob Sutherland quickly settled the question of winner. Mc-Reever was lavorite. He had hard work to beat Bolivar for the place. Fleurette as usual was fourth. Some fine, bright day this filly will get in right and the others will not know which way she went.

Logan wen a pretty race in the fourth, but and not McDermott rushed Kirkover so on the turn the result would no doubt have been reversed. Logan is game as a pebble, however, and will stand a drive to the end of time if necessary. He just wore Kirkover down resterday and won a grand race by a head tico is not within pounds of himself.

Adventurer won the last race, after being conded down from 8 to 1 to 2% to 1. His ware, John Brennan, won a barrel of money. of he atso backed his horse heavily in the try pool-rooms. Adventurer cut loose in the tretch and won hands down from Violet 8, coos, the favorite, was next to last.

Plunger George Wheelcek bet ike Thomeson, the bookmaker, \$3,000 against \$5,000 yesterday that Diablo would not win at Washington resterday. Thompson bet \$200 at first, and when wheelock asked tacastically it he wanted any more he bet \$4,800 in

Heligate's name has been changed to Wood-chopper. He won't run any better however, until his jockey is changed.

Capt. Wagener's rider, Clerico, didn't any too hard at Washington yesterday, the judges warned him that another a ride would result in his being ruled off.

## ALL ANIMALS TREATED THERE.

# Dogs, Cows and Cats.

Instead of the marble busts of the fathers Brooklyn Vetermary Hospital.

The brooklyn branch of the Society for the was refused.

This hospital is indeed one of the most in- from the sensational exposures attending teresting places in Brooklyn. It has been located in Nevinz struct, near Fulton, for ing places in Brooklyn. It has been the same.

on the main floor. Broken legs are set and strain floor at the following the surgical work is carried on as in any large hospital. If a horse is too weak to stand alone and it is necessary to keep him him. All polimonary cases are kept on this floor, but no infectious diseases are treated in the hospital.

The lower floor is reached by an incline. Stalls are on this floor also, and there is a large number of kennels for cats and smaller animals. An incline passes from this floor down to another, which resembles it.

Emergency cases are treated as in other hospitals. The Bergh society has two ambullances, a large and a small one. Both are painted a bright vermillion and have the sent of the society reproduced on the sides, with the wester burled from public and the conspirators were conspirated by keen-eyed reported from public of the colden Fagle, was violently thrown from his horse in front of a passing electric was allowed by the exposures, ded in becember, 1889.

Sarah the ry was spirited away and her whereabouts were never made known until he redeath yeareday.

of the Society reproduced on the sides, with the words, "Ambulance for Disabled Antmals."

The larger ambulance is for horses and solve the fraudtient decree, and a genuine divorce from her husband, with \$30 a week altimony and \$500 counsel fees.

On March 8, 1889, in the account of the counsel fees.

The larger ambulance is for horses and cows. It is built very near the promise and resembles a huge box. It is provided with a windlass and tackle, by which animals are easily put into it. The smaller annoulance resembles the delivery-wagon or some large dry-goods house. It is used for small animals, like cats and dogs.

If a horse is injured in the street, or any other animal needs medical or surgical assistance, the Scelety will, if notified, send an ambulance immediately and the injured animals will be taken to the place designated by its owner, or to the Veterinary Hosoital. There will be received and cared for just as a person would be treated at any hospital.

From 400 to 600 horses and from 200 to 300 dogs are looked after at this institution in a monta. No accurate account of the number of cats and smaller animals is kept. Mundreds of them are taken there every year to be humanoly kined.

Gladiolus Narrowly Escapes Destruction.

The British steamer Gladiolus has arrived here almost completely dismantled by a frightful hurricane encountered Sept. 16 last on her trip from Bremen. Second Officer tedye's arms and legs were broken and James Mann, a sallor, was lajured internally by one of the waves that swept over the vessel. Killed in an Argument with Knives.

Unexpectedly Favorable Bank State- How Millionaires Succeed in Piling Up Enormous Wealth.

> Not Difficult for Any One to Follow Their Example.

It is popularly supposed that a few men like Gould, Vanderbilt and Astor represent the rich

nen of the country.

This is a great mistake. There are thousands upon thousands of millionaires, men so rich that they cannot possibly spend the interest upon their vast accumulations. Every city, every town, every community has them; it is they who represent the wealth of our country, on account of their numbers.

Now if so many men succeed, what is the true Any man of indomitable energy and perseven france at 5.20% a 5.20. checks at 5.18% a apce who is well can succeed.

The gross earnings of 129 prominent roads for August were \$63.000,080, an increase of \$4,795,339: operating expenses \$44,900,318, as increase of \$2,294.558, and net \$24.100,-318, as increase of \$5,5881. From Jan. 1 to Aug. 31, 1892, 124 roads report gross earnings of \$470,601,120, an increase of \$28,637,000; operating expenses \$332,373, 869, an increase of \$24,276,578, and net carnings \$144,227,351, an increase of \$4,370,-018.
